TEAS

(By daily offer)

ALTHAUS TEA - TEAPOT 0.51 CZK 99

Tea specialities from different regions of the world. Excellent for relaxing after a massage. Each type of tea stands for its characteristic properties, which depend on growing area, harvesting time, grade and quality of the tea leaf, as well as the resulting taste and colour of the infusion.

GREEN TEAS

Thanks to their unique properties, green teas are one of the most popular teas in the world. The green tea group in the ALTHAUS collection includes not only varieties of pure green tea, but also varieties of lightly fermented white tea. ROYAL PAI MU TAN, JASMIN PEARLS BAI YIN AND MILK OOLONG. All of these varieties come from the same species of tea tree, they are just treated differently during processing. White tea is considered to be one of the finest and most refined varieties, made exclusively from the first spring buds and young leaves.

Green teas:

Manon
Sencha Senpai
Jasmine Ting Yuan

FRUIT TEAS

ALTHAUS fruit teas are blends of carefully selected fruits, berries, leaves and flowers. They do not contain any tea leaves in their content and thus differ from classic traditional flavored teas. Althaus fruit teas are a healthy alternative to fruit juices, with a tonic effect and are therefore popular especially in countries with cold climates.

They contain a lot of vitamins and minerals, they do not contain any caffeine. Althaus fruit tea variants are so different that everyone can choose among them according to their taste.

Fruit teas:

Red Fruit Flash
Coco White

TEAS

(By daily offer)

HERBAL TEAS

Herbal teas have a long tradition. We learn about these unique drinks from ancient texts in which people described the properties and uses of healing plants. For example, a book from ancient China (THE BOOK OF TREES AND GRASS) written by Shen Nong appeared 2000 years ago. A great heritage from our ancestors gives us new ways to keep ourselves healthy with herbal drinks. A healthy lifestyle has become a fashion trend in today's society, which is why natural herbal-based health drinks are becoming more and more popular.

Herbal teas:

Ginger Breeze
Wellness Cup

BLACK TEAS

They are made from the same tea leaves as green tea, but are treated differently during processing. These processing methods give the black tea a more intense colour and flavour. Different varieties have a different composition, which depends on the area of tea growing and the degree of fermentation. Nowadays, black tea production is no longer limited to East Asia. It is produced on an industrial level in more than 30 countries worldwide. On the islands of Indonesia, in Africa and even in South America.

Black tea: Imperial Earl Grey

WINE

PINOT GRIS 0.187 CZK 159

Elegant Pinot Gris for every occasion. It is aromatically more distinctive with a fruity character, yet pleasantly harmonious and unobtrusive. It has a good central fullness with a pleasant finish.

FAUSTINO VII BLANCO 0.1871 CZK 149

This elegant white wine from Spain is made from the Viura grape variety and fermented in stainless steel tanks at controlled temperatures. After fermentation, it matures on fine yeast for several months and becomes light yellow in colour. Its aroma and taste are distinguished by notes of jasmine, honeysuckle, orange blossom and apple.

FAUSTINO VII CRIANZA TINTO 0.1871 CZK 149

Rioja, Spain, dry

Faustino VII Tinto from La Rioja is a balanced red wine from the Tempranillo grape variety, which is fermented in stainless steel tanks at controlled temperatures after being harvested by hand.

After fermentation, it matures on fine yeast for several months and becomes a bright ruby red in colour. Its aroma and taste impress with its elegant dryness, dense texture and delicate balance that needs no added sugar.

KADRNKA WINE

(By daily offer)

✦ KADRNKA

This family winery is located in the village of Březí near Mikulov, close to the Pavlovské and Dunajovské Hills. Jindřich Kadrnka and his family are already the fourth generation to practice viticulture with a nature-friendly philosophy - with minimal chemical intervention and a gentle approach to the vines, grapes and wine in the spirit of integrated production.

A significant amount of manual work in the crate harvesting and a reasonable load on the bush, with an average yield of around two kilograms of grapes per head, results in a very high quality raw material and consequently a wine that is greatly appreciated by enthusiasts of this drink.

Offer of bottled wines:

RYZLINK VLAŠSKÝ / semi-dry 0.11 CZK 129

The taste is fruity, with a salty aftertaste of young walnuts on the end.

CHARDONNAY / dry 0.11 CZK 129

SELECTED ALCOHOLIC BEVERAGES - RUMS

ABUELO RUM 12 Y.O. 0.041 CZK 299

Rum distilled from fine virgin cane aged in white oak barrels. This traditional product is produced by the experience of Varela family. Its finesse and complexity give satisfaction even to demanding connoisseurs with refined tastes.

RUM DIPLOMATICO RESERVA EXCLUSIVA 0.041 CZK 269

Venezuelan dark golden rum of excellent quality. It is aged for an average of twelve years in bourbon barrels. Diplomatico reserva is a perfectly balanced, delicious and delicate drink, sweet and fruity, which is characteristic for all Diplomatico rums, but it contains an even higher concentration and more intense flavour.

PYRATXO 40 % 0.041 CZK 269

A blend of rums and natural ingredients from different regions around the world. Final blending takes place in Guyana. Each bottle is also certified with a number and its own signature. Aromas of orange and oak barrel. The taste is sweet with strong notes of orange, vanilla and cane sugar. Long finish, sweet orange with exotic spices.

PAMPERO ANIVERSARIO 40% 0.041 CZK 229

It is a blend of rums originally from Venezuela that are aged for 4-6 years. Thanks to the combination of high Venezuelan temperatures and humidity, it matures faster and the flavour is strong.

SELECTED ALCOHOLIC BEVERAGES - GINS

G'VINE GIN 0.041 CZK 269

It is manufactured in Cognac in France and comes from Eurowinegate company. It is fundamentally different from traditional London dry gins with a juniper base, creating a new "GINE-ERACE". This combines the style and complexity of an ultra-premium gin. Its versatility brings it to the highest world-class level. By combining the old distillation and steeping methods with the addition of rare green vine flower, G'vine establishes a new exclusive standard in the elegant super premium spirits category. In 2007 it won a silver medal in San Francisco.

GIN MARE 0.041 CZK 269

It is produced in a small fishing town on the coast of Dorado in Spain. Herbs found in the Mediterranean region are used to produce it. The not-so-typical Arbequin olives, basil, rosemary and thyme are used along with traditional herbs such as juniper, hot orange peel, Seville orange peel, lemon peel, cardamom and coriander. All these herbs, except citrus, are macerated for 24 hours in neutral grain alcohol and then individually distilled again. Citrus is macerated for 300 days before being distilled. Only then are all the ingredients mixed in the bottle.

SELECTED ALCOHOLIC BEVERAGES

METAXA PRIVATE RESERVE 0.041 CZK 299

Its age ranges from 20 to 30 years. The unique taste consists in the distillation of three types of grapes, aging in resin barrels and blending with vintage Muscat wines. The result of this unique combination is a dark honey colour, a sweetly spicy taste and fruity aroma, and a superbly rounded full-bodied flavour.

VODKA DOUBLE CROSS 0.041 CZK 299

Luxury vodka from Stara Ľubovňa, Slovakia. A rather unusual country of origin for vodka. Even more unusual is its design, but above all its first-class quality. The water used in the production of Double Cross Vodka comes from the foothills of the High Tatras, only pure natural ingredients are used and the final quality and fineness is ensured by sevenfold distillation.

BABIČKA VODKA 0.041 CZK 259

The top-selling Czech vodka abroad in the Superpremium segment, many times awarded with medals at world competitions. The unique Babička is produced by distilling a mixture of previously triple-distilled corn and double-distilled wormwood (with a touch of anise and fennel). The pure taste is complemented by filtered natural spring water with a high content of calcium and magnesium.

PATRÓN 0.041 CZK 359

Patrón is a brand of Mexican tequila that is known for its quality and handmade production. Patrón tequilas are made from 100% blue agave and are popular for their smooth and mild taste with fruity and citrus notes.

GODET PEARADISE 0.041 CZK 259

An extraordinary liqueur made according to a secret family recipe. This gem among liqueurs is made by combining carefully selected ripe pears and a secret blend of herbs with finely aged cognac. A wonderful full aroma and a captivating taste of pears characterise Godet Pearadise.

SELECTED ALCOHOLIC BEVERAGES - ŽUFÁNEK

(By daily offer)

SLIVOVICA ŽUFÁNEK 0.041 CZK 199

Thanks to the long-term maturation in oak barrels, the slivovitz has gained a specifically cognac tone to its unique characteristics. This aged slivovitz is often referred to as "golden". 50% by volume is alcohol.

HRUŠKOVICA ŽUFÁNEK 0.041 CZK 199

It is aged in a French white oak barrel together with dried pears. These are the reason for the resulting colour, delicate sweetness and delightful aroma. 45% by volume is alcohol.

OŘECHOVKA ŽUFÁNEK 0.041 CZK 199

The drink is produced by infusing the unripe walnut fruit with nine spices and herbs in very fine alcohol. Its natural bitterness is complemented by a very subtle sweetening, so that the liqueur gains a balanced flavour with a spicy-nutty edge as it matures. 35% by volume is alcohol.

BOROVÍČKA ŽUFÁNEK 0.041 CZK 199

An amiable macerated spirit made from the fruits of blue and red juniper. Its characteristic properties give the drink a refreshing effect and promote good digestion. 45% by volume is alcohol.

MERUŇKOVICA ŽUFÁNEK 0.041 CZK 199

A fine fruit spirit produced by triple distillation of ripe apricots. Its intense aroma and full-bodied taste make this apricot spirit an excellent digestif after a good meal. 45% by volume is alcohol.

VIŠŇOVKA ŽUFÁNEK 0.041 CZK 199

It is made by infusing a special variety of fresh sour cherries with spices. Its purely fruity character is thus slightly suppressed and the cherry flavour gives way to a port-like bouquet. 20% by volume is alcohol.

OMG GIN 0.041 CZK 199

It is made by macerate distillation of 16 unique herbs and spices that together create one of the most complex gins on the market. 45% by volume is alcohol.
